Welcome to PLAY

The new school year is fast approaching and we have plenty to offer both you and your family! Our **homeschool program offerings have expanded tremendously**, with classes at both PV Rec Center and the Chico Creek Nature Center. We also have cooking, archery and kung-fu classes for your home schooler. Details start on page 10.

New **after-school programs** have been added to the following schools: 6th grade at Marsh Jr. and Kinder programs at Emma Wilson, Marigold, Rosedale, Sierra View and Shasta Elementary Schools. Call the front desk at 895-4711 to get on our list. CARD partners with Bricks 4 Kidz to bring **after-school enrichment programs** right to the school. Lego classes are offered, on a monthly basis, at Marigold, Parkview, Rosedale and Shasta.

We've got you covered if you have a young one! **Our Time Together, Tiny Tots, Kinder-Readiness and Kinder Konnections** are monthly programs designed for children 18 months to 5 years old. See page 18 for details.

Classes new to CARD include: **Kids Yoga and OmAbilities Yoga** (pg. 20), **Artistic Lettering** (pg.31) and **Disc Golf** (pg. 33). No matter what your interest is, chances are you will find something in our PLAY guide to keep you busy!

Letter To Santa

During December, boys and girls under 8 years old can receive a letter via CARD from jolly old Santa and his elves. Children should mail their letter to the CARD office, 545 Vallombrosa Avenue, Chico, CA 95926, no later than December 3. A self-addressed, stamped envelope must be enclosed. The return envelope will be postmarked from the North Pole. Unfortunately, due to the amount of letters received, any letters collected after December 3 will not receive a response.

Breakfast With Santa

Welcome to Santa's village! Choose what time you would like to have breakfast and then use the rest of the time to visit with Santa and Mrs. Claus and make crafts with the elves. Roots Catering will be serving pancakes and other wonderful breakfast treats. Choose from the available breakfast times, but come anytime to participate in the rest of the activities. This event will run from 8AM - 12PM. Every person attending must be registered. Space is limited, so register early; this event does sell out. CARD Community Center.

Kitchen Science Camp

The kitchen is full of wonder! When we follow a recipe, we take for granted what the role the ingredients play. In this camp, we will breakdown some recipes and explore what makes them work! Participants must come with some kitchen skills (measuring and knife skills) because we're going to take it to the next level. We will ferment, have some baking trials, create our own salad dressings, experiment with moisture, textures, and emulsions, and experience the 5 tastes (sweet, salty, bitter, sour, and umami). Participants ought to have a curious palate as we are going to taste our way through the camp. Participants will come away with a better understanding of some of the what's and whys in the kitchen while having fun experimenting scientist-style. A \$35 supply fee to be paid to the instructor. Instructor: Sherri Scott. CARD Community Center Kitchen.

After School Enrichment

Bricks 4 Kidz

Schedule 2016-17 School Year

CLASS SCHEDULES BY SCHOOL ARE ONLINE AT:
www.chicorec.com/programs/afterschool

Bricks 4 Kidz classes provide an extraordinary atmosphere for children, where we learn, we build, we play... with LEGO® bricks. Programs are built around a proprietary model plans, designed by engineers and architects, with exciting themes such as space, construction, and amusement parks. The specially designed project kits and theme-based models provide the building blocks for the Bricks 4 Kidz approach to educational play. **No Class 3/13-3/17. *Nov. & Dec. are 3 week sessions.**

September: Mission 2 Space

Space, often called, “the last frontier”, has inspired scientists, star gazers and adventurers for generations. Get inspired to go on your own adventure and join us on a Mission 2 Space! Discover some incredible structures at Kennedy Space Center’s Launch Complex 39, travel the surface of the moon on a lunar rover, and explore Mars onboard the “Curiosity”. Our tour would not be complete without a visit to the International Space Station. We’ll provide the bricks, all you need to bring for this adventure is your imagination!

October: Amazing Animals

“It’s a zoo in here!” This is a unit sure to delight kids who love creatures. We’ll be building models of snakes, insects, mammals and more. Each week we’ll discuss fascinating facts about the animals we build, from the chameleon that changes colors to the seal model that waddles across the table. Students will love these moving models that celebrate the wonders of the animal kingdom.

*November: Cranium Contraptions

Build and explore crazy contraptions that really work your brain! Students will use LEGO® Bricks, axles, pulleys, gears and motors to create fun and interactive models. Compete with friends in a rousing game of Battle Tops or Foosball. Put your hand-eye coordination to the test with the Ping Pong Popper model. Experiment with the Mini Fig Mover to see how this model will send your mini figure for a ride. All this and more are waiting to be discovered as students learn and play with Cranium Contraptions!

*December: Gadgets and Gizmos

Students love our interactive Bricks 4 Kidz models. This unit is all about the fun of doing something with what you’ve built. From a spinning top to a spin art model, kids will love playing with their creations! But don’t worry, we sneak in lots of learning too! We discuss “Probability” in the model called, “3-in-a-row” while learning friction and symmetry with the spinning top lesson. Gadgets and Gizmos is sure to be a blast!

January: Energy is Everywhere!

Energy is essential to almost everything we do, from the lights in our homes and classrooms to the gasoline that fuels our cars. Allow Bricks 4 Kidz to help introduce the world of energy in all its amazing forms. Together, we will explore sources of energy from wind, solar, biofuel and fossil fuel. Students will learn terms like, “renewable”, “landfill”, “greenhouse effect” as they build their own motorized garbage truck, windmill, color panels, water wheel and more!

February: Exploring the Everglades

Build an alligator with a mouth that opens and closes, an airboat to speed across the water, a bird with wings that flap up and down... then imagine yourself on a journey through the Florida Everglades. This unique and fragile ecosystem is your only subtropical preserve in North America, students will learn what makes it such a special place. On our Bricks 4 Kidz tour of the Everglades you get to learn so much... without mosquito bites! You'll even learn why mosquitos are actually 'VIPs' (very important pests). Shrink yourself down to mini-figure size and climb aboard our LEGO® airboat tour! We'll build and learn about some of the cool creatures in one of our country's largest national parks!

March: A Pirate's Quest

Shiver Me Timbers as we explore the popular culture behind the life of a pirate! Build a motorized pirate ship, a helm and an anchor, as we batten down the hatches and prepare for mutiny. Protect the hands on deck by building a launching trebuchet. Beware me mateys if it's too late, you must abandon ship and build a rowboat to escape. Watch out for motorized crocodiles! Anchors aweigh!

April: Interesting Inventions

Have you ever wanted to invent something with your LEGO® bricks? Most objects we use on a daily basis were invented by someone. Find out the origins of things like the hand mixer, windshield wipers and conveyor belts. During this unit, students will discuss the difference between an invention and a discovery, learn how inventions solve problems, and find out how inventors get the ideas patented. Each week, students are encouraged to think of what they could invent, or improvements they could make to an existing object to solve a problem. So many things we use each day are someone's invention. Bricks 4 Kidz will help to introduce the world of ideas, creativity, inventions and patents. Each model is motorized for maximum movement and fascination!

May: Wheels in Motion

Do you have a need for speed? These wheels are ready to roll! Students will use LEGO® Bricks, axles, pulleys, gears, motors and more to build a variety of models on wheels. Some are familiar vehicles, such as a fire engine and delivery truck. Other amazing models, such as the Rescue Robot and K-9 Bot, will give students more to learn. Put your Speed Bot model to the test as you race against others using remote controls. We'll explore concepts of speed and force, and gain non-vehicle knowledge from the unconventional Wheels in Motion models as well. Let's roll!

After School Enrichment Classes at The Chico Creek Nature Center

Classes are led by adults from our community who have expertise that they are excited to share and teach. All classes are hands-on, project-based, and meet a minimum of three state standards. Most classes incorporate up close animal meetings and environmental experiences. All of our class leaders have a clear background/fingerprint clearance and have been hand selected and trained to provide your student a quality, caring class experience. Classes range from academic math classes and science labs to enrichment-based activities such as cooking, crafts, music, plant and animal identification, and art.

Classes meet once a week from 3:10 to 4:30 PM in 6 week sessions. Exact schedules with day of the week, class titles, descriptions, and class leader descriptions will be posted online about 1 month before the start of each session. Schedules will be available at www.ChicoRec.com, or www.BidwellPark.org.

FAQ's:

Q: How do I sign my child up?

A: To find out if your child's school has openings, or to get on the waiting list, contact the CARD office at 895-4711. Many schools have little or no waiting lists; however, CARD recommends you put your child on the waiting list when they are 2 years old to help ensure you will have a spot when they enter school.

Q: Do I have to put my child on the waiting list each year?

A: No. Once you put your child on the waiting list, they stay on until they are offered a spot in the program. Please make sure to contact us to update your phone number if it changes.

Q: Does my child have to attend every day?

A: No. The program is for your benefit and you may use it as you feel necessary. The fee for the program is a flat rate fee. CARD does not prorate for days not attended.

Parent Testimonial

"The CARD after school program is wonderful! My child is well cared for and has such a fun experience that she never wants to leave! Thank you for providing such an awesome program!"

Schedule

Fall 2016 through Spring 2017

Thrive Homeschool Program

Locations: PV Recreation Center (Thrive main campus) and The Chico Creek Nature Center

Thrive provides academic and enrichment classes, science labs, nature studies and guided exploration learning sessions for homeschoolers.

Thrive is:

- Flexible with a 1, 2 or 3 day per week drop-off learning program for homeschoolers.
- Convenient for families. We are a one stop shop for homeschool offerings that are offered on the same schedule.
 - Look for the preschool and high school offerings at the Chico Creek Nature Center that operate on the same schedule, as well.
 - A-g science wet labs, for high school students on track to go to college, are also available (in a separate fee schedule).
- Your choice of the nature immersion program at the Chico Creek Nature Center and/or guided exploration, open structured learning sessions at the thrive main campus.
- Structured, subject specific academic and enrichment classes at both sites.
- Provided in warm, inviting spaces that are optimal conditions for human learning and children's growth.
- Quality, compassionate, well trained leaders.
- Low child to adult ratios to optimize learning and safety.
- For ages 4.5 to 18 (age ranges vary by class).

- Designed for homeschool students who are enrolled in a homeschool charter or privately homeschooling. Thrive is not a school and offers support and educational opportunities to families that maintain freedom over their child's overall education.
- A vendor accepting PO's from all local homeschool charters.
- A place where children are free to learn, inspire, imagine, create, play, and shine!

Our mission is to inspire a life-long love of learning by respecting each person's individual interests, strengths, and capabilities. We encourage families to help their child choose the classes that are right for them and to plan to enroll for the entire school year to provide continuity in friendships and class structures.

Classes are led by adults from our community who have expertise they are excited to share and teach. All classes are hands on and project based and meet a minimum of three state standards. All of our class leaders have a clear background/fingerprint clearance and have been hand selected and trained to provide your student a quality, caring class experience. Classes range from academic math classes and science labs at the Chico Creek Nature Center to enrichment based activities such as cooking, sewing and Minecraft clubs. All classes must reach a minimum of 6 students, so start inviting your friends.

Nature Immersion Program at The Chico Creek Nature Center, located in the heart of Bidwell Park, provides hands-on natural science labs, up close animal visits, outdoor games, arts and crafts, environmental experiences and guided exploration of the park. We use curriculum from Project Wild and Growing up Wild to meet state standards in science, literacy, math, art and STEM. There is plenty of indoor space pending weather and plenty of outdoor time when the weather allows.

Guided Exploration Learning Sessions at the Thrive main campus offers open structured time in a prepared environment where students are given the opportunity to explore their varied interests with the support of caring mentors. Students spend their days learning and creating with other children and adults who will inspire and guide them. A wonderful opportunity for social experiences, creative expression and student led learning. Learning invitations are presented in an environment that fosters imagination, self- motivation, and meaningful experiences. Books, websites, magazines, nature, music, math concepts, science projects, art projects, building materials, creative play, and idea sharing will spark the imagination. Leaders work with the children to create an emergent and free flowing curriculum that derives from the imaginations of the children enrolled. State standards are met by reflecting back on work and projects students choose to participate in.

We accept PO's from CORE Butte, South Sutter, Sutter Peak, Inspire North, and of course, private payment. If you are interested in using your school funds to participate you must follow the procedures below.

Next Steps

3 or 4 weeks before the session

- Pay \$35 annual fee per student (only once per school year). This may not be included in a PO and may be paid at the CARD office or the Chico Creek Nature Center during our respective open hours.
- Look over the schedule and decide which classes (9:30-10:50 AM and/or 3:10-4:30 PM) and main blocks (11:00 AM-3:00 PM) you are interested in, and which level that puts you in.
- Request a purchase order from your school/ES.

10 or more days before the session

- Bring a copy of the purchase order to the CARD office, the Thrive main campus or the Chico Creek Nature Center.
- Complete a CARD registration form for the dates and level that match your PO. **Registration must take place 10 days before the session starts** or a \$20 late fee will be assessed.
- Once registered you will receive a link to register for the exact classes and main blocks. You must choose your classes and main blocks a minimum of 10 days before the session starts. Classes and main blocks **must reach a minimum of 6 students** or they will be cancelled and you will be notified and asked to choose another option or offered a refund.

1 week before the session

- You will receive an email confirming your class and main block choices and letting you know any pertinent information.
- Late registration may be accepted with a late fee for main blocks and classes that still have space. Payments or PO must be made BEFORE the student attends. Late fee is \$20 and must be paid with personal funds, not included on a PO.

Thrive is a Specialty Program for Inspire North.

Inspire North students who choose Thrive as their Specialty Program **receive the Gold Level all school year** (note: 5th session is only available on the Thrive main campus) **and still have use of \$1,000 in instructional funds.** They will also be able to meet with their homeschool teacher and complete their portfolio reviews and assessments right at Thrive. Call or email Cyndi Pereira at 828-9288 or cpereira@chicorec.com to learn more.

\$35 annual supply fee covers all Thrive classes or programs at either or both sites for the 2016-17 school year. Supply fees must be paid with personal funds and may not be included in a PO. Payment of supply fees allows registration in classes and programs all school year and includes a Thrive shirt.

SAMPLE SCHEDULE

Exact schedules with class titles, descriptions and class leader descriptions will be posted online about 1 month before the start of each session. Look for schedules on www.ChicoRec.com, www.BidwellPark.org, www.ThriveChico.org or on Facebook at Thrive, Homeschool Program.

- * Preschool Programs operate on the same dates and times so families can coordinate their schedules easily.
- * We recommend choosing back to back main blocks and classes for ease of schedule, but you may choose them on different days and at different sites as it fits your interest and schedule.
- * Students in back to back classes and main block on the same site will be walked between classes and parents do not need to return in between. If you choose different sites it is the family's responsibility to transport students between classes.
- ** A-G Science Wet Labs are on a different fee schedule. (See Page 14)

If you have any questions please call or email Cyndi Pereira at 828-9288 or cpereira@chicorec.com.

Homeschool Handwork

In this class, children learn basic handwork skills including sewing, knitting, and felting. We'll use colorful natural wool felt, yarn and roving to create simple and beautiful projects according to each child's skill level. Creativity and confidence is encouraged naturally in a fun and relaxed environment. Children taking the course repeatedly can build on their skills to create expressive art pieces as well as practical pieces that can be worn and cherished. A \$20 supply fee to be paid to the instructor on the first day. Instructor: Deva Daniels. Dorothy F. Johnson Center. **No Class 11/1, 11/22 & 3/14.**

Homeschool Garden to Table through the Seasons

We'll spend time both in the adjacent garden and the kitchen through the seasons as fresh, seasonal, locally grown foods and food made from scratch. Because this class is intended to be a continuous series for homeschoolers through the schoolyear, we will get to start with the basics and go deeper, with activities like fermenting, canning, food crafts, baking, wild foods, herbs, experimenting and more. Some children may be taking a handwork class before this and may bring a snack to enjoy while we introduce the topic of the day. This class is based on wholesome vegetable and fruit food and most diets can be accommodated. *It is not required to take the entire series. A \$25 supply fee to be paid to the instructor on the first day. Instructor: Sherri Scott. Dorothy F. Johnson Center.

Garden to Kitchen Class

We'll spend time both in the garden and the kitchen learning the basics of both while filling our bellies with fresh, seasonal, locally grown foods. We'll snack on the foods we make while learning kitchen skills! Children will gain some knowledge on preparing healthy food from scratch. This is a school year session intended for homeschoolers. Most diets can be accommodated. A \$25 supply fee to be paid to the instructor on the first day. Instructor: Sherri Scott. Dorothy F. Johnson Center.

A-G Science Wet Labs

Location: Chico Creek Nature Center, Kristie's Lab

The Chico Creek Nature Center offers A-G Science Wet Labs for high school students preparing to attend college.

The labs are only supplemental to the textbook requirements which students will be expected to complete outside of this course. The Chico Creek Nature Center is NOT an accredited school and cannot issue school credits directly. You must have an accredited school (charter school) give you credit for taking these courses. Please contact your school to ensure that they will give your student credit for these labs. For more information on A-G requirements go to <http://www.ucop.edu/agguide/All> A-G course material and manuals are purchased through Quality Science Labs and will be provided for student use as part of the program fee.

This course is broken into 4 sections. You must take all 4 sections to complete all necessary lab work for credit. Sections 1 and 2 are in Fall and 3 and 4 are in Spring to comply with requirements of spreading the lab work across the school year. Sections may be completed in any order.

In class hours provide enough time for students to take snack/lunch and recess/free time breaks. Students should arrive with packed lunches and snacks. If lab work is completed students may be offered projects and activities that are beyond the wet lab work and/or may be allowed to check out early with parent permission.

No Supply fee. Labs dates do not overlap so a student may take all labs congruently.

Nature School

Nature School is a first learning experience in nature. It is a drop-off program designed for Pre K, TK and Kindergartners. Young first graders may also enjoy this class. Children learn about nature, letters, numbers, colors and shapes through crafts, songs, games, animal visits and guided exploration of the park. We use curriculum from Environmental Experiences for Early Childhood and Growing Up Wild that meets state standards in science, literacy, math, art and STEM. Each class has a different theme. All children should be potty trained and ready for an experience away from their family. Our teachers are happy to help facilitate “goodbyes” as is often needed with this age. For optimum learning a full year of participation is encouraged. Chico Creek Nature Center, Nature Play Room. **No class 11/1, 11/22, 3/14, 4/4.**

Camps

The Chico Creek Nature Center, located in the heart of Bidwell Park, presents nature education day camps for children ages 5 to 11. The programs are designed to provide outdoor recreation and to foster awareness of nature in a fun, safe, and caring setting. Campers enjoy hands-on natural science labs, up close animal visits, arts and crafts and outdoor games. Let your child experience the wonder of Bidwell Park!

Camp Chico Creepy-Parent's Night Out

Let your child experience the “creepy” wonders of Bidwell Park in a fun, safe environment. They will gain an understanding for nature's more misunderstood creepy, crawly critters. Camp Chico Creek transforms into Camp Chico Creepy for an evening day camp style program. Send the kids with us for nature education, a night hike to look for owls and a pizza dinner while parents get a night out. Let your child experience the wonder of Bidwell Park! Chico Creek Nature Center, Tucker Hall and Living Animal Museum. Hours: drop off and pick up anytime between 5:00 and 10:00 PM.

Classes for All Ages

Preschool Programs

CARD's preschool programs feature a designated classroom and staff that specialize in toddlers. Each program will promote an all-inclusive, positive, educational environment that will set your child up to succeed.

How do register for a Preschool Program?

Choose the class that is the appropriate age and level for your child. If there room in the class, you will be able to register immediately online or at the CARD Office at 545 Vallombrosa Ave. If the class is full, you will be placed on a waitlist and will be contacted if a spot opens up. **New students can start at the beginning of any month.**

How long is the session?

Our preschool programs are ongoing classes that run September-May. Each month builds on the previous time spent in class for continuous growth and learning. Should you choose to not continue, simply notify the CARD Office (530) 895-4711 or egonzales@chicorec.com so we can contact the next person on the waitlist.

How do payments work?

The fee for each class is due the last day of the month prior. If payment is received on or after the 1st of the month, the fee increases by \$10. Payments can be made online, in person at the CARD office, or through automatic payments.

Where can I find more information?

Check out our Toddler page online at: <http://www.chicorec.com/CARD-Programs/Tiny-Tots/Preschool-Programs/index.html>.

Automatic payments are available

Our Time Together (18-35 months old)

This class is formatted as a parent/child class with the goal of giving parents an opportunity to bond, meet other parents that have children the same age as theirs and provide parent support. Our Time Together can be an exciting and fun opportunity for your child to improve current skills, learn new skills, make friends, and have fun. This is also an opportunity for us to create a parenting community and share development milestones. During the toddler years, your child will make huge strides physically, intellectually, and emotionally, whether it's learning to use the potty or stacking blocks.

Something to observe in this program is how your child plays adjacent to other children in the playgroup. This cooperative social interaction is called parallel play and helps children begin language development, build confidence, and form relationships. Your child will increasingly learn to share and become aware of other's emotions, as well as learn cause and effect through trial and error of adjusting and solving problems in play.

For your convenience, we have a Monday, Wednesday and Monday/Wednesday option based on how many days you would like to attend the program. Class kicks-off Wednesday, September 7- however, **new students can start at the beginning of any month.**

Instructor: Michelle Gustafson

Location: Dorothy F. Johnson Center, Toddler Room

Tiny Tots (3-4 years old)

A great first classroom experience for your child! This program is designed to model and teach your child age appropriate skills so they will confidently transition into a Pre-K program or Kindergarten. We have designed the program to make learning participation fun and engaging! We strive to provide a positive, safe, and nurturing learning environment that addresses each student's individual needs. We know that each child has a different learning style and we will incorporate many styles while engaging all students in a fun and supportive manner.

Each day is full of fun and age appropriate activities for your child. While participating in games, music, crafts, stories and play, your child will benefit from this social environment. Our teacher encourages working with others, sharing and taking turns. Our dedicated preschool room and playground make this a perfect place for your child's first preschool experience. Children must be potty trained before attending class.

Class kicks-off Tuesday, September 6- however, **new students can start at the beginning of any month.**

Chico Center for Learning Pre K

Transition your child from preschool to Kindergarten. CARD is partnering with Chico Center for Learning (CCL) in offering a Transitional Kindergarten program for children 4 to 5 years old who will be entering Kindergarten in Fall 2016. With an emphasis on reading and math preparation, as well as music, movement, art, and science, the CCL offers a quality program that will prepare your child for Kindergarten. This is a modified Kindergarten curriculum taught by credentialed teachers. It is age and developmentally appropriate. Each class is limited to 12 students. The program operates September-May, M-Th, 8:30-11:45 AM with monthly fees of \$300. If you are interested in this program, please contact CCL directly at 343-2980.

Tai Chi- Serenity Through Movement

Has your life become too hectic? Do you feel sluggish and without energy? Tai Chi is the movement of the human body, mind and spirit in harmony with nature. Tai Chi helps students achieve balance by slowing down the “too speedy” and energizing the “too slow.” Our students have reported a calmer mind, happier mood, decreased tension, increased power, and improved coordination. Be like the bamboo that bends but does not break—deeply rooted and flexible. Instructor: Suzanne Roth, RPT. PV Recreation Center, Social Hall. **No class 11/21, 11/23, 1/18, & 2/15.**

Mushroom ID and Walk

Curious about the wondrous world of mushrooms? There is a remarkable array of colors and shapes and uses for those who are willing to discover them. We will learn some basic identification characteristics, learn some of the poisonous ones, some useful (medicinal and dye) and then learn some of the edible ones from our area. Once we gain some knowledge we will walk around Cedar Grove and see what the rain conjured up. Of course, mushrooms are fickle and mysterious, and their appearance cannot be guaranteed, but we will be prepared for an additional foray into the woods that you will be able to sign up for, when the timing is right. While this is geared more for adults, interested children are welcome to join. Instructor: Sherri Scott. Chico Creek Nature Center.

Blitz Puff Pastry

What do a savory caramelized onion and sage tart, a sumptuous baked brie en croute, and a crisp cherry almond pastry have in common? Decadent and delectable buttery puff pastry, the secret weapon and go-to favorite of bakers worldwide. This technique creates a homemade puff pastry in a hurry, with all the flavor and tenderness of a traditional puff pastry but made in a quarter of the time. Use this quick pastry dough for amazing hors d'oeuvres, main dishes, and desserts. It can be baked immediately or frozen and then baked fast for a holiday party showstopper without the fuss. Best of all, it's made with real butter, no shortening or added preservatives (like it's store-bought cousin!) for the best taste hands down. Fencing

Fencing can be described as “the sport of the sword.” It is the modern take on the art of knightly combat, mixed with swashbuckling musketeers and Victorian duel. The modern Olympic fencer trains to develop agility, quickness and subtlety of movement. Please wear a t-shirt, sweats and tennis shoes. **Equipment will be provided for the first month only.** Instructor: Robert Bird. Location: Sierra Fencing Academy, 620 Hickory St, Chico.

All students must purchase a non-competitive USFA membership for \$10.00 which is good for the fencing year (8/1/16-7/31/17). This will be handled on the first day of class. No Class (all levels): 11/25 & 12/26

Youth Sports

NEW FootGolf

CARD is excited to announce the addition of FootGolf to our adult sports program! FootGolf is a relatively new hybrid game of golf and soccer. Using the golf course landscape—players kick a soccer ball into an oversized cup. Players will ‘tee’ off from the established tee box, and then proceed to kick their ball down the fairway. As you approach the green, players will spot the orange flag, marking the large cup, in which he/she will kick their ball. Don’t miss out on a great competitive opportunity for adults and kids alike to play outside and enjoy a fun day on the links. Come play with us, starting this fall, at Tuscan Ridge Golf Club. Discounted green fees for adult league members: \$5.

Registration Deadline: 9/2

Dates: 9/12 – 10/17

Times: Tee times start after 4 PM, schedules available 9/6 on www.teamsideline.com/chico

Fee(s): Parent + Child = \$41/team + green fees

Games: 6 matches

ShortE Programs: 3-6 Years Old

CARD’s ShortE programs (typically 3-5 years old) feature paid coaches that create a positive, non-threatening environment for your little one to gain a “love of the game.” Staff use age appropriate equipment, modify stations and games, and are trained specifically for toddlers to make sure all participants are set up for success. You will not be contacted by a coach, and should show up the first day at your registered time ready to play. General youth sports jersey are optional (can be purchased at the CARD Office for \$15).

ShortE All Stars: 3-5 Years Old

Sign your little one up for the ultimate first time sports experience! This five-week program will pique the interest of your young one and introduce them to a variety of sports in a fun and positive environment. Participants will play soccer, flag football, basketball, tee-ball, and Olympic sports throughout the weeks! Program location: DeGarmo Park.

Little Athlete Programs:

K-2nd Grade

CARD's Little Athletes programs (typically K-2nd) feature paid coaches that create a positive, non-threatening environment. Coaches will work with players the first 2-3 weeks to introduce the sport using basic skill techniques and formations, and build confidence in each player to get them ready to play. The last 2-3 weeks will be 20 minute practices and 40 minute formal games each day. Fundamentals and simple game strategy will be taught throughout the program. Staff use age appropriate equipment, modify stations and games, and are trained specifically to make sure all participants are set up for success. You will not be contacted by a coach, and should show up the first day at your registered time ready to play. General youth sports jersey are optional, but highly recommended for the program scrimmages (can be purchased at the CARD Office for \$15).

NEW FootGolf

CARD is excited to announce the addition of FootGolf to our adult sports program! FootGolf, is a relatively new hybrid game of golf and soccer. Using the golf course landscape—players kick a soccer ball into an oversized cup. Players will ‘tee’ off from the established tee box, and then proceed to kick their ball down the fairway. As you approach the green, players will spot the orange flag, marking the large cup, in which he/she will kick their ball. Don’t miss out on a great competitive opportunity for adults and kids alike to play outside and enjoy a fun day on the links. Come play with us, starting this fall, at Tuscan Ridge Golf Club. Discounted green fees for league members: \$5.

Registration Deadline: 9/2
Dates: 9/12 – 10/17
Times: Tee times start after 4pm, schedules available 9/6 on www.teamsideline.com/chico
Fee(s): \$21/person, \$41/team + green fees

- Competitive and Recreation options in most leagues to ensure better league quality: CARD is being proactive by concentrating efforts to ensure more teams are matched up with other teams of similar ability. In popular leagues, Recreation and Competitive options are available each night of play.
- League information, registration dates and rule packets: All league information will be posted on our website www.chicorec.com and WWW.TEAMSIDELINE.COM/CHICO a minimum of 2 weeks prior to the registration deadline. CARD makes every effort to keep dates similar from year to year. However, minor variations may occur.
- Each league has a set number of spaces available. Those numbers are determined by field or facility availability, night of play and level of ability. Registration is first come, first served. Once leagues are full, a waitlist will be started.
- All nights and locations listed are subject to change at the discretion of the sports department.
- Roster Requirements: All players must sign a CARD Roster or Add/Drop form.

Teams who struggle in a given league may also be moved down. Our goal is to facilitate proper league placement over the course of time. While you may not consider yourself a "B" or "C" level team, you may be one of the top teams playing on that evening, making it necessary that you play in a higher (or lower) league.

*The Tuesday Coed B divisions will follow standard tournament rules. Visit www.teamsideline.com/chico for a complete list of rules, located under the "Download" tab at the top of the home page.

Adult Sports Free Agent?

Don't have a team? Go to www.teamsideline.com/chico and use the Free Agent Sign-up Form. Give us some background information about yourself, the sport you are interested in, a way to reach you, and we will circulate that information to the managers in our leagues to help you get picked up by a team. Another great way to get on a team is to be at the fields connecting with other participants in the community!

Open Gym Volleyball & Basketball Hours

Come out and spend some time on the courts at our Open Gym Basketball & Volleyball programs. Participants must be 18 years of age or older. Provide your own ball and pay \$3.00 at the door. Open gym hours are subject to change without notice.

Visit www.chicorec.com or www.teamsideline.com/chico for Open Gym Schedules.

Chico Senior Softball Club

Established in 1984, the Chico Senior Softball Club (CSSC) is an independent club that provides an opportunity for individuals 48 years and older to pursue their love of the game of softball. Through an arena of competition, sportsmanship and teamwork, the club promotes fun, fellowship and camaraderie. If you are interested in learning more about this club, visit www.chicoseniorsoftball.com or call 530-345-1111 or 530-566-4849.

Picnic Rentals

You no longer need to go and “stake out” your picnic site ahead of time. CARD is now accepting reservations for picnic areas. While there are still several picnic areas that are available on a first-come, first-serve basis, the picnic sites listed are now available for rent. These sites are in high demand and offer users the “peace of mind” when planning a child’s birthday party, family reunion or association gathering. To make a reservation, please visit the CARD Office located at 545 Vallombrosa Avenue.

Customer Satisfaction Guarantee

At the Chico Area Recreation and Park District, we are constantly striving to provide you with quality recreation programs. We are confident that you will like these programs...so confident that we will ensure our promise to provide that high quality. If for any reason you are not completely satisfied with the quality of our programs or instructors, we encourage you to contact us immediately so we can work to resolve your concern and improve the quality of our programs for all participants. If you are not completely satisfied, contact us and we will arrange for you to do one of the following:

1. Repeat the program at no charge.
2. Receive full credit that can be applied to any other program.
3. Receive a full refund.

Currently, this guarantee applies to all of our programs except Adult Leagues, Facility Rentals, Trips and Tours, and all grant/scholarship funded programs. These programs have specific policies that apply. Your complete satisfaction with these programs is equally valued, and we will work with you to resolve your concerns.

To receive a credit, repeat a program, or obtain a refund, please contact us in writing, by phone, by email, or in person. Requests must be made within ten (10) business days after the last program meeting. Your receipt, cancelled check or proof of I.D. may be required. Refund checks will be processed within fifteen (15) business days.

Cancellation Policy

In the event CARD needs to cancel a class or program due to low enrollment, inclement weather, or any other unforeseen circumstance, you will receive a full refund of the registration fee. We understand that unexpected circumstances may also arise resulting in a need for you to withdraw from a class or program. If so, please notify us prior to the first day of the class, and you will receive a full refund. Unfortunately, due to the nature of some of the programs, there are exceptions. Please refer to the program for additional information and exceptions. Requests for refunds or transfers made be made in person, by email or by phone. Your receipt, cancelled check or proof on identification may be required. Refund checks will be processed within fifteen (15) business days.

CARD Mission Statement

The Mission of the Chico Area Recreation and Park District (CARD) is to provide recreation opportunities to the greater Chico Community in a coordinated and cost effective manner.

Americans with Disabilities Act

Pursuant to the Americans with Disabilities Act, The Chico Area Recreation and Park District will make reasonable efforts to accommodate persons with disabilities in the provision of District services, programs or activities. If you require special accommodation in order to participate in a District park or recreation program, please let us know when you register.

Photo/Video Release

The Chico Area Recreation and Park District (CARD) reserves the right to photograph and video facilities, activities and program participants for potential future use in advertising brochures, videos, social media and CARD's web page. All photos will remain the property of CARD.

I certify and represent that I am in good health and physically able to participate in said Activity. I fully understand the **RECREATIONAL ACTIVITY** involves risks and I fully accept all such rights and responsibilities for losses, costs and damages I incur as a result of my **VOLUNTARY** participation in the **RECREATIONAL ACTIVITY**. This release is intended to release and discharge in advance CARD (its directors, officers, employees, volunteers, and agents) from any and all liability arising out of or connected in any way with my **VOLUNTARY** participation in said **RECREATIONAL ACTIVITY**. It is understood that this **RECREATIONAL ACTIVITY** involves an element of risk of accidents **INHERENT TO THE RECREATIONAL ACTIVITY**, and knowing those risks I hereby **VOLUNTARILY** assume those risks. It is further agreed that this Agreement, Waiver, and Release is to be binding on my heirs and assigns. I agree to indemnify and to hold the above persons or entities free and harmless from any loss, liability, damage, cost or expense which they may incur as the result of my death or injury or property damage that I may sustain while participating in said **RECREATIONAL ACTIVITY**. I agree that if any portion of this Agreement, Waiver, and Release is held to be invalid, the balance shall remain in full force and effect.

Parental/Legal Guardian Consent: (This form must be completed and signed by a parent/guardian if applicant is under 18 years of age.) I hereby consent to my son/daughter/ward's participation in the **RECREATIONAL ACTIVITY** and as described in the Activity Guide, flyers, correspondence, newsletters, website, text, and/or e-mail and I hereby execute this Agreement, Waiver, and Release on his/her behalf. I certify and represent that said minor is in good health and physically able to participate in said **RECREATIONAL ACTIVITY**. I for myself and said minor's personal representative, assigns, heirs, and next of kin, hereby waive, release and discharge any and all claims for damages for personal injury, death or property damage which I and/or said minor may have, or which may hereafter accrue, as a result of participation in said Activity. I fully understand that the **RECREATIONAL ACTIVITY** involves unknown risks and dangers and I fully accept all such rights and responsibilities for losses, costs and damages incurred as a result of his/her participation in the Activity. This release is intended to release and discharge in advance the CARD (its directors, officers, employees, volunteers, and agents) from any and all liability arising out of or connected in any way with said minor's participation in said **RECREATIONAL ACTIVITY**. It is understood that this **RECREATIONAL ACTIVITY** involves an element of risk and danger of accidents, and knowing those risks I hereby assume those risks. It is further agreed that this Agreement, Waiver, and Release is to be binding on all heirs and assigns. I hereby agree to indemnify and hold the persons and entities mentioned above free and harmless from any loss, liability, damage, cost or expense which they may incur as a result of the death or injury or property damage that said minor may sustain while participating in said **RECREATIONAL ACTIVITY**. I agree that if any portion of this Agreement, Waiver, and Release is held to be invalid, the balance shall remain in full force and effect.

PHOTOGRAPH/VIDEO/INTERVIEW/SOCIAL MEDIA RELEASE: I hereby authorize CARD to publish photographs and/or videos taken of me and/or of my minor child/ward, and my/our names and information provided in an interview, in connection with the publicizing/promotion of CARD, its services, including, but not limited to, newsletters, publications, websites, social media, public service announcements, news releases, and feature articles. I agree that such reproduction may be edited as desired and used in whole or in part for any and all print, audio-visual, multimedia, online, and/or exhibition purposes in any manner or media, in perpetuity, throughout the world. I understand that I have no rights to any benefits derived therefrom. I release CARD from any expectation of confidentiality for myself and/or my minor child/ward. I understand that there is to be no remuneration for the use or reproduction of said photographs/video/interview information. I further agree that I and/or my minor child/ward have no rights of ownership whatsoever.

I HAVE CAREFULLY READ THIS ENTIRE DOCUMENT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY, CONTRACT, AND RELEASE BETWEEN MYSELF AND CARD AND I SIGN IT OF MY FREE WILL ON BEHALF OF MYSELF AND/OR MY MINOR CHILD/WARD.
