

Rebecca Anzur

Tiny Tots

I have been cheerleading and working with children in summer camps and coaching T-Ball since the 8th grade. When I got to Chico State in 2007 and found out we had no cheerleading team I began coaching to fill the void. I started coaching cheerleading in 2008 through the Chico Valley Scorchers Youth and Football Organization. It is here I further developed my passion for children and teaching and decided to pursue obtaining my Multiple-Subject credential through Chico State. I have coached girls ages 4-17 in both competitive and leisure cheerleading. I also plan on opening an all star cheer gym in the future when I become better established!
