"My daughter, being new to Chico and having no friends yet due to summer vacation was very lonely, bored and sad before her Fit For Fun camp started. Once she started attending camp her smiles and confidence came back. She came home showing everybody the stretches that she learned and is very much proud of the Hoo-Rahs she earns each day. Thank you for making my daughters summer a positive one." Angela Munoz, 6/22-6/26, Fit for Fun
