Number Book

Around we  
go!

One is  
fun!

Around and  
back on a  
railroad track!

Around a  
tree and  
around a  
tree, that's  
the way to  
make a three.

Down and  
over and  
down some  
more, that's  
the way to  
make a four.

Fat old five  
goes down,  
around. Put  
a hat on top.

Roll a hoop  
and make  
a loop.

Across the  
sky and down  
from heaven,  
that's the  
way to make  
a seven.

We make an  
"S" but do  
not wait, go  
back up and  
close the  
gate.

A hoop and  
a line, that  
makes a  
nine.

The  
End
