Little Wonders Toddler Programs
AUTOMATIC PAYMENT
September 2022-May 2023

To sign up for automatic payment, please present your payment method (credit card or bank account information) to the **CARD Office, 545 Vallombrosa Ave.**, when turning in this form. **CARD cannot accept automatic payment forms on-site; they must be turned into the CARD Office by the account holder.**

By signing up for the automatic payment plan, your monthly program cost will be deducted from the account provided to the CARD Office five days before the end of each month for the upcoming program (for example October's payment will be deducted September 26): The last payment will be deducted on April 26, 2023, for the May 2023 payment unless CARD is notified that the services are no longer needed prior to that date.

If the payment method is declined for any reason, the CARD Office will notify you by phone or email and request an alternate method of payment. If payment is not received by the last business day of the month, your child will not be guaranteed their spot in the program for the upcoming month. If your payment form is **declined for any three months** during the program year, you will be removed from the automatic payment plan. *Without* automatic payment, it will be your responsibility to make the monthly payment for the program, on a first come first serve basis for enrollment.
