## STAFF REPORT

| DATE: | October 26, 2023 |
| :--- | :--- |
| TO: | Board of Directors |
| FROM: | Angela Carpenter, Finance Manager |
| SUBJECT: | September Monthly Financial Report |

## ANALYSIS

The financial statements for September continue to be uneventful, reflecting only first-quarter information.

- Community Park Impact Fee Cash on page 3 is down approximately $\$ 1.15 \mathrm{M}$ as capital projects allocated from those funds are underway. The annual transfer of impact fee income from the City of Chico is expected in January.
- Investment income, on page 8, is continuing to be better than expected due to the performance of the investment in CA Class with an average yield of $5.5 \%$.
- Revenue overall is $14.4 \%$ for the year, as noted on page 9. Program income in Camps, Classes, Aquatics, and Nature Center encompass summer activities from July and August, causing a higher trend than pace. Rec Admin has exceeded budget projections due to the demand for inclusion services from the Far Northern Regional Center. This activity is expected to continue throughout the year.
- On page 10, the Retirement expense is trending high due to the required AUL payment at $\$ 100 \mathrm{~K}$.
- Operating expenses are at $38 \%$ of the overall budget (page 11). Annual expenses paid in full and planned purchases of computers and equipment are inflating the YTD percentage.
- Water and Electricity expenses will start to level out during the winter months, while Gas will start to trend high during the same period.

## STAFF REPORT

DATE: October 26, 2023<br>TO: Board of Directors<br>FROM: Annabel Grimm, General Manager<br>SUBJECT: Conversion of Extended Part-Time Wages to Full-Time

## BACKGROUND

During the Budget Presentation on May $25^{\text {th }}$, District staff requested a decrease in the Assistant Facilities Coordinator (now known as Assistant Rentals and Events Coordinator) position from Full-Time to Extended Part-Time. This request directly corresponded with the increase of the Special Events Coordinator from Extended Part-Time to Full-Time to accommodate the growth of the District's public outreach activities.

Since this change, the District has generated brand new community events (Pumpkin Splash, Gala, Ice Rink Events), implemented an Event Sponsorship Package, executed new guidelines around Park Rentals for private entities (Country Musical Festival at DeGarmo), and leveraged the Facility Rentals staff to support these ventures.

Simultaneously, Facility Rentals activities are trending upward and are on track to continue to exceed previous years' revenue.

| FY 21/22 | FY 22/23 | FY 23/24 August | FY 22/23 August |
| :---: | :---: | :---: | :---: |
| $\$ 410,249$ | $\$ 464,944$ | $\$ 52,133$ | $\$ 47,166$ |

To accommodate for the growth in the public outreach activities and the community's growing interest in renting new and updated CARD facilities, District staff is requesting to transition the Assistant Rentals and Events Coordinator position back to Full-Time.

## ANALYSIS

To transition this position back to Full-Time, the impact on the budget is an increased benefit cost of $\$ 13,000$ that will be offset by Facility Rentals revenue.

## RECOMMENDATION

The Board approves the conversion of Extended Part-Time Assistant Rentals and Events Coordinator to Full-Time to meet the operational need of the growth in the Facility Rentals Division.

## STAFF REPORT

DATE: October 26, 2023
TO: Board of Directors
FROM: Annabel Grimm, General Manager
SUBJECT: Vehicle Purchase

## BACKGROUND

On September 30, 2023, an employee on the weekend rotation collided with a fire hydrate in a District vehicle. The employee suffered minor injuries, including bruising from the seatbelt and airbag deployment. No other people or vehicles were involved in the accident. The vehicle was a 2016 Ford F - 150 regular cab with 36,000 miles.

#### Abstract

ANALYSIS The claim filed with SDRMA, the District's insurance provider, determined the truck was a total loss. The adjusted value of the vehicle, according to the valuation report, is a little under $\$ 21,100$. The salvage value of the vehicle is between $\$ 1,200$ and $\$ 2,000$. The most recent comparable truck purchase was approximately $\$ 37,000$.

There is approximately a $\$ 14,000$ delta between the insurance proceeds and the cost of a new truck. A $\$ 25,000$ contingency allocation in the approved FY $23 / 24$ budget can be used to cover the expense.

## STAFF REPORT

DATE: October 26, 2023
TO: Board of Directors
FROM: Annabel Grimm, General Manager
SUBJECT: Lifeguard Incentive Program

## BACKGROUND

A lifeguard shortage, attributed to the pandemic, has prevented the District from staffing the Sycamore Pool for the last few summers. The shortage is a national trend and has impacted smaller communities disproportionately. An incentive program has been developed to aid with the recruitment and retention of qualified personnel.

## ANALYSIS

The incentive program includes two components. The first is for current employees and the other is for employee referrals. An eligible employee can elect to obtain a lifeguard certification and receive a "sign-on bonus" of $\$ 500$. Upon completion of the certification, the employee will receive their first installment of $\$ 250$. The remainder of the bonus would be paid upon successful completion of the swimming season.

The other component is a referral bonus. If an employee refers a successful candidate, they would be eligible for a $\$ 200$ payment. The first half would be paid upon the completion of a lifeguard certification. The second payment would be issued at the end of the season.

Another critical consideration for this program is ensuring there is a pipeline of lifeguards to gear up for staffing needs at the new Aquatics Facility.

With the minimum wage for fast food workers slated to increase to $\$ 20$ per hour, a wage increase for lifeguards should be considered. The City of Chico has a strong desire to ensure the District is able to staff Sycamore Pool and is supportive of increasing aquatics staff wages.

## FINANCIAL IMPACT

Factoring attrition in returning aquatic employees and the additional people needed to staff Sycamore Pool adequately, the incentive program would cost between $\$ 25-\$ 30 \mathrm{~K}$. The City's contract for lifeguard services is expected to offset most of the cost.

Wage increases will be contemplated during the FY 24/25 budget cycle.

## RECOMMENDATION

The Committee recommend approval of the incentive program to the Board of Directors.
