

USE OF CARD FACILITIES AND FIELDS

JANUARY 2022

CATEGORIES OF USE

Categories are based on an organization's legal status and the specific activity for which they are renting the facility.

Commercial or Private Use

Private events and commercial activities shall be charged fair rental value. The following are examples of users that fall into this category:

- Events and activities not open to the general public.
- Any organizations or groups where admission fees are charged or contributions are solicited and the net receipts are not expended for the welfare of the district or charitable purposes shall be charged fair rental value, regardless of its status as a 501(c) Exempt status.
- Commercial use shall apply to those organizations or individuals requesting to use facilities for advertising, selling any product or service, or conducting any other type of commercial business or function. It shall be considered commercial if the publicity and/or advertising would benefit a particular person or concern in a commercial way.

Joint Use Agreements and Non-Profit Groups

Reduced rates are offered to groups whose usage and fees are defined by approved Joint Use Agreements and nonprofit organizations and clubs or associations, which promote youth, educational, civic, and alike activities benefiting the district or general public.

All non-profit groups must provide a copy of IRS Form 501c (Certificate of Exempt Status) and copies of the group's constitution and by-laws.
